ABOUT COMPANY

Golden Triangle Technology (GTTech) started out as a small family business in the year 2000. In 2011 GTTech established its regional headquarter and logistics operation in Dubai, United Arab Emirates. Today it is a well-established and financially strong distributor of leading technology products for the IT market.

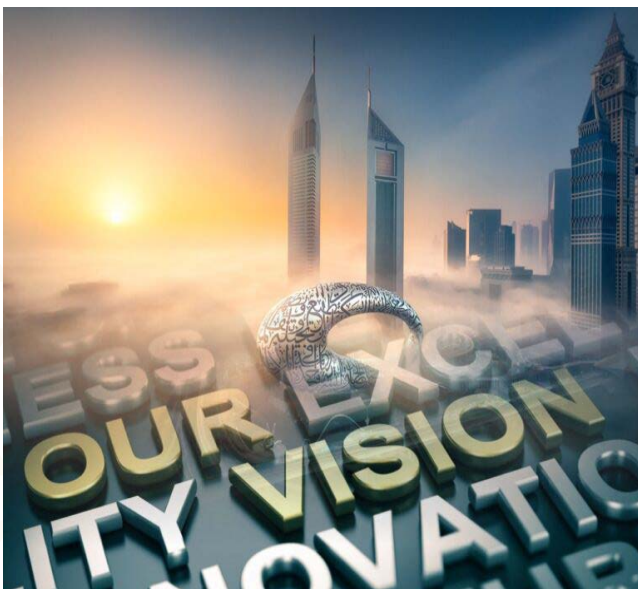

Global distribution network in Middle East, CIS, Europe and Far East

The company has developed a comprehensive global distribution network spanning The Middle East, CIS, Europe and The Far East. GTTech currently distributes its variety of IT products through a broad mix of technology focused Mainstream Resellers, Value-Added Resellers and System Integrators in the regions we operate in. With a forward-looking and innovative ethos we continuously strive to retain a leadership position and be a partner choice for our resellers and vendors.

OUR MISSION

With the expertise of our talented team we are a valued technology products distributor for our channel customers and vendors through the supply of leading edge technology products to meet the IT needs of today and tomorrow.

VISION

We strive to be the technology distributor of choice to our channel customers by providing them with outstanding service, quality products, competitive prices and a business relationship which matches with our core values.

CORE

- *Commitment to Excellence*
- *Customer Orientation*
- *Results Orientation*

KEY SERVICES

■ IT DISTRIBUTION

We are a focused IT distributor supplying solely to resellers. Our dedicated and customer-oriented sales, marketing and service teams have in-depth product knowledge and are able to support our channel customers to meet their business needs profitably.

■ SYSTEM INTEGRATION

The company offers integration and support services to private and governmental sectors who want to boost the performance and efficiency of their IT infrastructure.

■ LOGISTICS HUBS

We own our 7,000 Sq M office and warehouse facility at the Jebel Ali Free Zone in Dubai. Our logistics team operate a highly efficient shipment facility for our customers to ensure timely delivery of products.

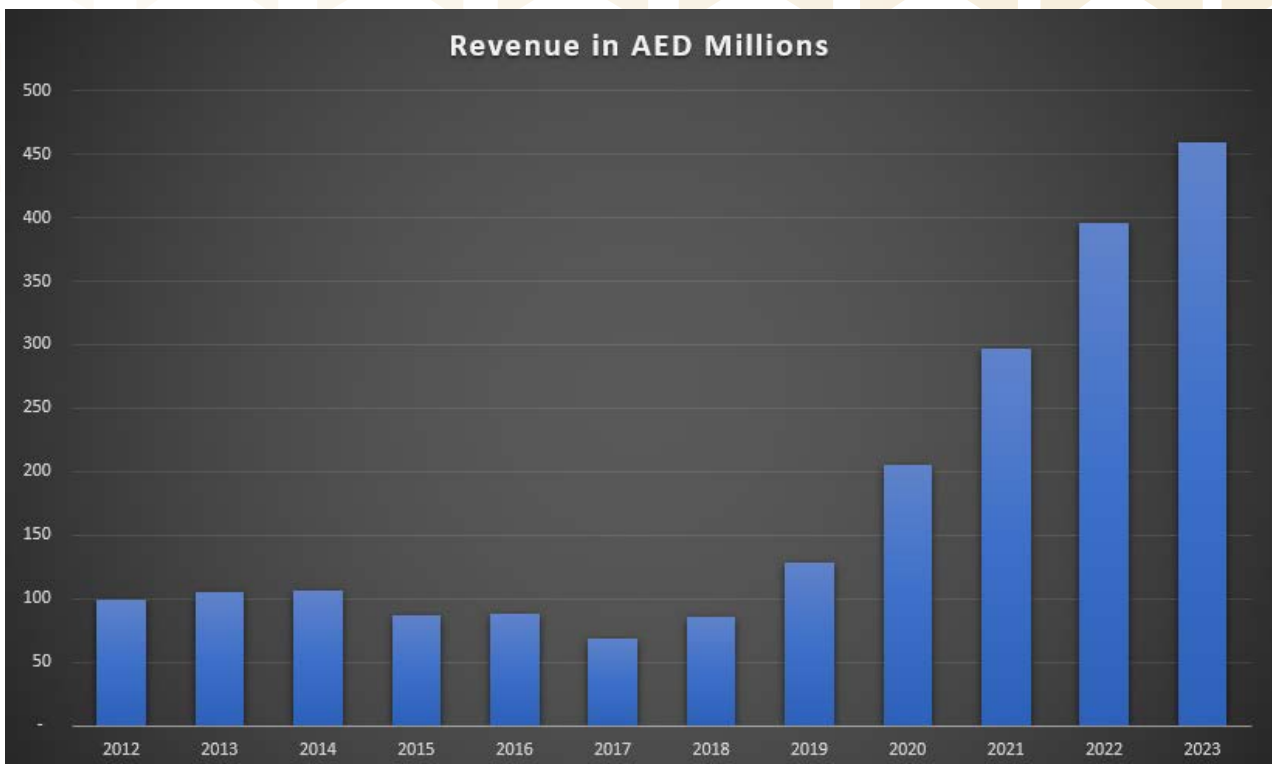

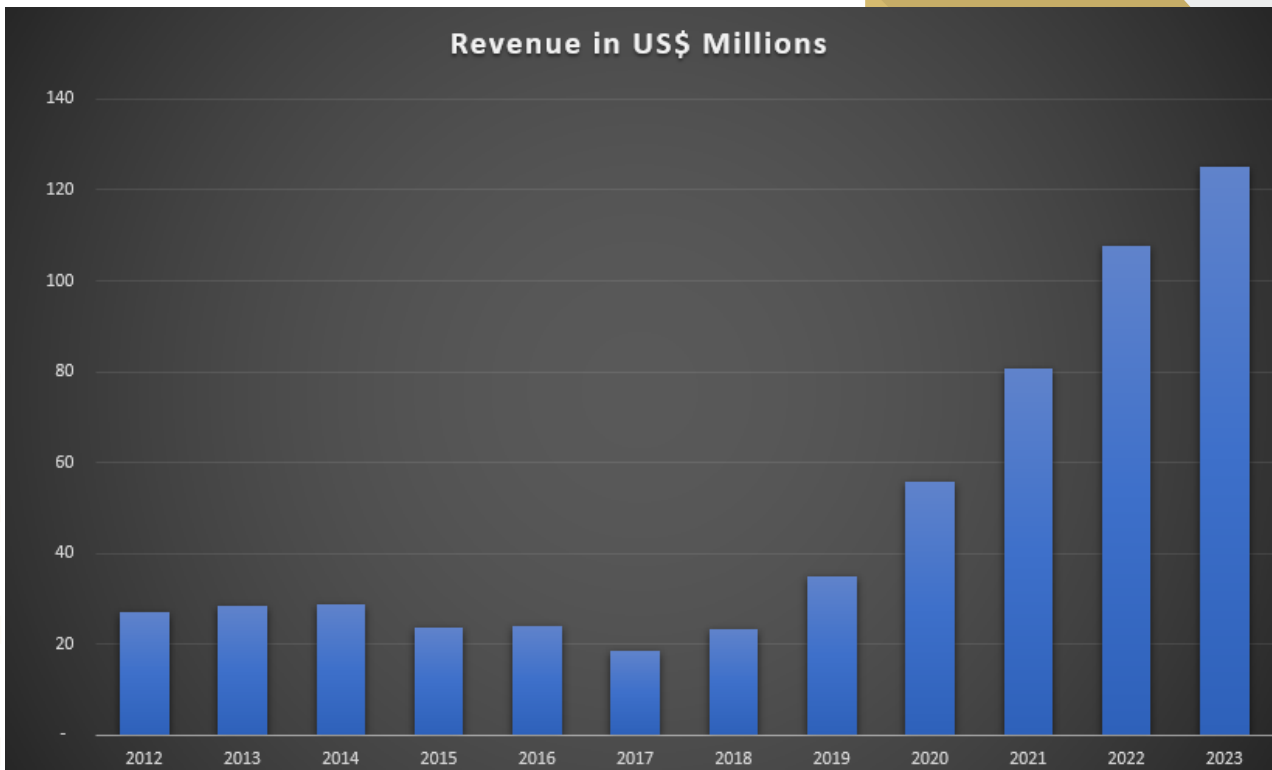

Customer Support AND SERVICES

At GTTech we understand that exceptional after-sales support is paramount in establishing trust and ensuring satisfaction with our valued B2B clients. Our commitment to your success extends well beyond the point of sale and we take pride in offering comprehensive Return Merchandise Authorization (RMA) services.

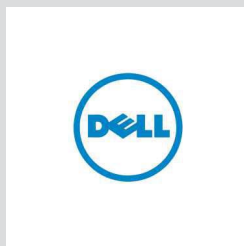

With a Dedicated RMA Team, Efficient RMA Process, Quality Assurance and Timely Resolution our after-sales support is a testament to our unwavering dedication to your success. We are building lasting partnerships by delivering the support and reliability you rely on us for.
